GRANDE TABLE

COLLECTION DETAILS

GRANDE TABLE - BROOKLYN - BLACK - HYPER SILVER

Fabricated in Australia and exclusive to ODIN TILES + COVERINGS & ERGOLINE, GRANDE TABLE is at the forefront of customised architectural furniture. Available in various designs and colour tones, these innovative steel frame tables are paired with premium Italian made porcelain stoneware as the resilient table surface finish. The possibilities are endless with this industry leading collection, with GRANDE TABLE possessing the aesthetic qualities and technical characteristics for commercial and residential projects. The GRANDE porcelain slab series creates a seamless and visually appealing outcome, while delivering unrivalled practicality and durability as a table surface. This bespoke furniture novelty adds another impressive dimension to our extensive collection.
